## -Coaches

- High School - Clint reported that they had some teams not pay their food tabs at the tournament on Dec. 19, 2009. Will have to come up with better plan for next season

## -Old Business

- Kim got prices for clocks/scoreboards. Desk calendar size \$39 obviously the price for this one is good, but, its to tall and they were plastic. Duane said the ones from Selinsgrove were encased in metal but are more expensive. The ones like Selinsgrove are \$739.00. Duane said if we buy 2, we can share with Selinsgrove. He mentioned it to Cindy from Selinsgrove. Clint will look thru his catalogs for prices as well.
- Nicci asked if we wanted to keep the website. She said she will put stuff on if we get it to her.

Open Floor - Kim suggested the association purchase a shed to keep on school grounds for storage. He spoke with Gary Thomas and he said that will be ok once land is purchased, possibly fall.

- Chris brought up some weight room problems. Kids aren't always using it for its purpose. They are getting into "UFC" type fights and breaking stuff. They are also giving the code out to unauthorized people. Clint said he's had conversations with his kids about scheduling fights and its to stop. He doesn't want the assoc. to be liable. Kim suggested we change to key lock, and if kids want to use it they must get coach to let them in. Kim and each coach will have keys. Kim made a motion and Nicci seconded it. Chris will let Joe know.

- Mike thanked all coaches for a good year, and especially Duane for giving up freetime to do open mat after season. He felt like they didn't get the credit they deserve for the year.

mtg adjourned @ 8:15pm.
